GENERAL TERMS OF SALE AND DELIVERY
Symrise Asia Pacific Pte Ltd including Symrise APAC Affiliates: Symrise Pty Ltd (Australia);
Symrise Shanghai Limited (China), Symrise, Inc (Philippines), Symrise Limited (Thailand), Symrise Sdn Bhd (Malaysia)"

1 Scope

- (1) These terms of sale and delivery shall exclusively apply to Symrise deliveries unless different terms and conditions have been expressly approved by Symrise in writing. These terms of sale and delivery shall also apply in case Symrise delivers the goods without any reservation, in spite of being aware of any purchaser's conditions that are in conflict with or deviate from these terms of sale and delivery.
- (2) These terms of sale and delivery shall also apply to any further business transactions with the purchaser.
- (3) Any agreements or side letters deviating from these terms shall not be effective unless approved in writing by Symrise. Approved deviations shall only apply to a certain individual case and shall have no effect in future.

2 Offer, Conclusion of Contract

- (1) Symrise's offers are without engagement and may be accepted within a period of ten (10) days.
- (2) An order placed by the purchaser shall be deemed to be a legally binding offer to conclude a contract.
- (3) A supply agreement shall only enter into effect upon a written confirmation of order by Symrise. The contents of such confirmation shall be decisive for the contents of the agreement. In case the purchaser does not object thereto immediately, such contents shall form the basis for the agreement.

3 Terms of payment

- (1) All prices quoted are ex works and net of the statutory VAT valid at the time. Taxes, surcharges, import and export fees as well as customs fees may arise in addition thereto.
- (2) Invoices are due and payable within ten (10) days upon receipt of such invoice without any deductions. The purchaser shall be liable to pay interest on all invoiced sums which remain unpaid after their due date at the rate of 1.5 % or the highest rate permitted under applicable laws for each month of delay, or part thereof, until full payment has been made to Symrise.
- (3) The purchaser shall only have rights of set-off if its counterclaims have been legally established, are undisputed and recognized by Symrise. Moreover, the purchaser may only exercise its right of retention to the extent its counterclaim is based on the same transaction.

4 Warranty/ Damages/ Liability

- (1) The purchaser has the obligation to inspect the goods received for defects immediately upon receipt and prior to the goods further processing or other use. The purchaser must inform Symrise in writing of obvious defects immediately but no later than seven (7) business days upon receipt of the delivery in case of hidden defects, within seven (7) business days upon detection. Otherwise, the delivery shall be deemed to have been accepted.
- (2) The purchaser must grant Symrise the opportunity to verify the complaint, and must above all provide Symrise with the defective goods and the associated packaging for inspection.
- (3) In case rectification of defects or a substitute delivery is not possible or is rejected or is not effected or failed for other reasons attributable to Symrise within a reasonable period of time granted by the purchaser. The purchaser has the option - in its sole discretion - to either rescind the agreement or reduce the purchase price. No time limit must be set unless required by law.
- (4) Any additional claims by the purchaser, in particular to damages instead of performance and to replacement of another direct or indirect damage, including collateral or consequential damage, regardless of the legal grounds therefore, shall be excluded. Symrise's total liability in contract, tort or under these general terms shall be expressly limited to the purchase price of the quantity of goods in respect of which any claim is made and shall not exceed the price of the goods. Under no circumstances shall Symrise be liable for special, incidental, indirect or consequential damages or loss, including but not limited to loss of profits, loss of revenue, loss of business, depletion of goodwill, revenues and the like incurred by the purchaser or any third party, however caused, arising out of or in connection with any contract or these terms. This shall not apply in case:
 - (a) Symrise fraudulently concealed a defect of title or a material defect or assumed a guarantee for their absence or for the condition of the goods;
 - (b) The damage is attributable to willful intent or gross negligence by Symrise, one of its legal representatives or vicarious agents or to a negligent violation of material contractual obligations by Symrise or such person;
 - (c) A culpable violation of obligations by Symrise or its legal representatives or vicarious agents led to a bodily injury or injury to health;
 - (d) The product liability law is applicable. In case of slight negligence, Symrise's obligation is restricted to an amount for foreseeable damages typical for such contract.
 - (e) The provisions according to the sub-section above shall apply mutatis mutandis to direct claims by the purchaser vis-à-vis the legal representative or vicarious agents of Symrise.

5 Involvement of Subcontractors

- (1) In case the defective delivered item is a product that Symrise purchased in whole or in part from a third party, Symrise is entitled to assign its rights concerning material defects vis-à-vis the subcontractor to the purchaser and inform the purchaser of its option to assert claims against the subcontractor in and out of court. In this case, claims against Symrise for the defectiveness of the item can only be asserted in case the claims against the subcontractor are not enforceable despite an assertion of claims in or out of court in due time and/or in case the assertion of claims is unreasonable in individual cases. This shall not apply to claims for damages according to section 4 (4).

6 Statute of Limitations

- (1) Any and all claims of the purchaser, irrespective of their legal grounds, become statute-barred after 12 months, insofar as this is legally admissible.
- (2) This shall not apply to claims for damages according to section 4 (4).

7 Retention of Title

- (1) Symrise reserves the right to retention of title to the delivered items until receipt of full payment for the respective shipment.
- (2) The purchaser undertakes to obtain adequate replacement value insurance for the goods against fire, water and theft at its own expenses.
- (3) The purchaser shall be entitled to resell the goods subject to retention of title in its ordinary course of business. Already now, the purchaser assigns to Symrise its claims resulting from the resale of the goods subject to retention of title. Symrise accepts such assignment. The purchaser shall be entitled to collect the assigned sum due as long as it fulfills its own payment obligations. In case of any delay in payment on the part of the purchaser, Symrise shall be entitled to withdraw such collection authorization. In such a case, the purchaser shall be obliged upon Symrise's request, to provide Symrise with all the information necessary for collection and to allow a Symrise representative to verify the valid

existence of the assigned claim based on the purchaser's accounting documents and the purchaser shall be obligated to inform its debtors of such assignment.

- (4) If Symrise's title to the goods extinguishes due to the goods being mixed or blended with other goods or due to being processed and the purchaser becomes the owner of the delivered item, then the purchaser hereby assigns to Symrise in advance a pro rata co-owner's share in the value of the new item being produced. Symrise hereby accepts such assignment. Physical transfer shall be replaced by gratuitous deposit.
